"Peace is both a gift and a task." God invites us into His heart and to share in His life through prayer. Living that renewed Life in Christ is lived out in obedience to His law of Love. Renewed Life is a fruit of the Holy Spirit and a sign of a life in the Spirit. On this weekend, participants will hear talks on prayer, as well as have an opportunity to practice different prayer methods. They will experience the love of God, self-knowledge, and peace and joy that flow from a life of prayer. Time is provided for silence, prayer, and sharing. Women on the weekend will also encounter God's love in song and Sacrament
