The Cursillo is an instrument of Christian renewal.
Therefore, we urge care and discernment in the choice of candidates for Cursillo.

1. Please familiarize yourself with the information on the front of this application.
2. One year after completing a Cursillo, a Cursillista may sponsor or may co-sponsor after 6 months.
3. St Basils recommends that the sponsor encourage the candidate to participate in an active Cursillo or other supportive Christian community in the candidate's area after Cursillo.
4. In the case of married couples, the husband usually lives Cursillo first. Exceptions may be made in certain circumstances. Please submit husbands' and wives' applications together.
5. Please remember that Cursillo is not intended to be a treatment for deep-seated emotional issues. It is also not a substitute for twelve step programs or therapy/counseling.
6. Please inform your candidate:
 - That there may be a delay of up to a few months before being called, depending on the number of current applications and the time of year. Submitting an application does not secure a spot for a particular weekend.
 - Applications are processed through the Center office and applicants are called by the date they are received.
 - Candidates will receive a call when their applications have been accepted for a particular weekend.

Our volunteer kitchen staff serves over five hundred meals on each Cursillo weekend. We provide a balanced menu which includes protein, fresh vegetables, fruits and carbohydrates. We have a limited capacity to accommodate special dietary requests. Candidates are welcome to bring their own food (labeled by name) for each meal if they must be attentive to weights, measures and food content.
